Job Interview

Mr Johnson is the boss of a trucking company. His office is a mess. There are papers, books and boxes everywhere. Nothing is clean, nothing is in order: he needs a good secretary.

Mrs Santana wants a job. She is in his office for an interview. He is surprised because she is an old lady and she has no office experience. Mrs Santana is talking:

You see

office. There are papers, books and boxes everywhere. Your basket is full. The date on your calendar is

Mr Johnson is sitting in his armchair and smiling. He says:

Answer the questions:

- 1) What kind of a company is this?
- 2) Who is the boss?
- 3) In what condition is his office?
- 4) Whom does Mr Johnson need?
- 5) What does Mrs Santana want?
- 6) Does she have any office experience?
- 7) Is she a young woman?
- 8) What does she say about herself?
- 9) Does Mr Johnson like her?

Семестр 2

Telephone

The telephone is a necessary means of communication in business.

When you need to telephone your colleague or partner, you dial his phone number which can be found in the directory. The phone will ring, and your colleague will answer it by picking up the receiver. If he is busy he may ask you to call back later. If he is already on the phone when you call him, his number is busy and you cannot get through. When he finishes speaking to you, he should hang up.

Many telephone numbers mostly related to businesses or governmental offices are prefixed by 800. These numbers provide free customer service because many companies are interested in getting new customers. In most civilized countries emergency numbers (ambulance, police, fire) are also toll-free calls. (To place an emergency telephone call in the USA, for example, you should dial 911 or 0.)

Making a telephone call is not always easy, especially if you do not know the person on the other end of the line very well. Phone messages must be accurate and complete. Taking them demands both writing and listening skills particularly when a caller is speaking quickly.

Asking callers to repeat a message can help, and there is really no need to be embarrassed about it. Even people who have spoken a language all their lives ask each other to repeat things.

Buckingham palace

Buckingham Palace is the London residence and administrative headquarters of the reigning monarch of the United Kingdom. Located in the City of Westminster, the palace is often at the centre of state occasions and royal hospitality. It has been a focal point for the British people at times of national rejoicing and mourning.

Originally known as Buckingham House, the building at the core of today's palace was a large townhouse built for the Duke of Buckingham in 1703 on a site that had been in private ownership for at least 150 years. It was acquired by King George III in 1761 as a private residence for Queen Charlotte and became known as The Queen's House. During the 19th century it was enlarged, principally by architects John Nash and Edward Blore, who constructed three wings around a central courtyard. Buckingham Palace became the London residence of the British monarch on the accession of Queen Victoria in 1837.

The last major structural additions were made in the late 19th and early 20th centuries, including the East front, which contains the well-known balcony on which the royal family traditionally congregates to greet crowds. The palace chapel was destroyed by a German bomb during World War II; the Queen's Gallery was built on the site and opened to the public in 1962 to exhibit works of art from the Royal Collection.
